

ZENITH

makes the change worthwhile

Zenith cameras offer you tremendous scope – and superb value for money. Brilliant lenses, built-in meters, precision construction – and a 2-year Guarantee. You'll notice the change!

Around £50. The ZENITH 12 35mm slr camera features LED viewfinder indicators for simplified exposure control, brilliant Helios 44M lens with auto-diaphragm, through-the-lens metering, shutter speeds up to 1/500th, and is electronic flash synchronised.

Around £40. The ZENITH 11 35mm slr camera has a similar line specification to the Zenith 12, but features selenium above-the-lens metering.
